Series Big squared stories

“Large format” picture books in which great writers and illustrators tell simple yet universal stories that deal with important issues.

With activity pages at the end.

THE BREATH OF EVERYONE

THE BOOK

What happens when in the Wood comes a group of curious animals of the savannah? No one seems ready to accept their presence, which makes everyone uncomfortable. So one day the Wood decides to act in order to put it back all right.

This is the story of a weird encounter between different animals coming from different environments and unable to understand each other. Something that initially seems doomed to failure but that eventually makes everyone stronger than ever.

THE AUTHORS

SABINA COLLOREDO, text.

She lives and works in Milan. She's one of the greatest contemporary author in children's literature, although she writes also adult and young adult books. She writes historical and mythological novels, women's biographies and stories of topical issues which are translated abroad in several languages.

MARCO BRANCATO, illustrations.

Illustrator and cartoonist, he lives in Bologna. He works as a freelance for italian and international publishers and magazines, as well as for the recording industry by making animated videos. Winner of the II edition of the “Ronzinante Award”, of the III edition of the “That's a Mole” of Turin and of the Illustration Contest held in 2016.

BECAUSE EVERYONE IS FRAGILE AND IMPORTANT IN HIS OWN WAY
