

TWO LITTLE TROLLEYS

THE BOOK

A large picture book written and illustrated by Conc which tells the story of Andrew and Julia's weekend from the curious point of view of a little trolley. They are two children like all the others but they always have a suitcase in tow because on Saturdays they sometimes stay with Mum and sometimes with Dad.

A story that helps to talk about separation from the point of view of children who are the first to live through a change which perhaps, you can get used to.
