## BADABÙM!

### THE BOOK

A new poetic adventure for Pìripù Bibi... told in Pìripù language! Pìripù Bibi is out walking with his big friend Gonende when they are surprised by a thunderstorm... but it isn't Pìripù who is frightened: because sometimes it's the big ones who need the little one.

### THE AUTHOR

**Project devised and created by Emanuela Bussolati.** She is a very appreciated author and illustrator for children's books. She has published for different publishing houses for children.

**In the same Series: Tararì Tararera and Rulba Rulba!**

### Series: The Pìripù's Library

The series tells the adventures of little Pìripù Bibi. Simple stories told in a fantasy language: a happy sequence of sounds that invites the adult reader to play around with the intonations of the voice, facial expressions and body movements ... and thus create a playful and cheerful complicity.
