BOUNCE BOUNCE

THE BOOK

BOUNCE BOUNCE is a funny and engaging silent book conceived for children. The book tells the adventure of a funny pet who, inside a balloon, “bounces and flies” up in the sky, into space, and deep down into the sea...

A journey through a world suspended between dream and reality in which every place and every character, including the little balloon, has a curious identity to be discovered.

A picture story that involves the reader in a playful game able to surprise up to the last page.
