

# DON'T TEACH THE CHILDREN

## THE BOOK

The words of the famous and unforgettable Giorgio Gaber song co-written with Sandro Luporini, now become the text of a special picture book, the result of a collaboration between four extraordinary illustrators.

A unique combination of great authors created to share an important message for everyone, both children and adults: children are pure and confident, they are the future, and their minds should not be influenced by adults. They should be left free to discover the “magic of life” and led with love on this trip.
