

## YOUR ALPHABET TO TELL

### Series: **Big Squared stories**

“Large format” picture books in which great writers and illustrators tell simple yet universal stories that deal with important issues. At the end of each book several interactive pages invite the reader to get involved.

## THE APLHABET OF THE WORLD

### THE BOOK

The world around us is a curious and original alphabet. It is a set of signs to discover, see and describe the reality from a different point of view.

Here is what happens to Paul. Thanks to a pair of magic glasses, he is able to see what is hidden and create new stories and find the pleasure in sharing them with others.

### TEXTS AND ILLUSTRATIONS: Eva Montanari

She lives and works in Rimini. Author and illustrator, she publishes in Italy and in many European and overseas countries. Her works are often selected to be displayed in exhibitions such as the Bologna Children’s Book Fair, “The Original Art”- Society of Illustrators (New York), the International Exhibition of Illustrations for Children at Sarmede, and the Croatian Biennial of Illustration, Illustrarte (Portugal).
