UP THERE AT THE CASTLE THERE WAS

Leggends from a land of borders

This book brings together a number of mediaeval legends and stories whose universal language is such that they transcend time and space.

Texts by **Roberto Piumini**
Illustrations by **Gianni De Conno**

I REMEMBER

If moleculs could talk this is the story they would tell

"Chemistry changes some things into others. And love changes one man into another, and this is an ancient story, at least as old as chemistry itself."

Texts by **Sabina Colloredo**
Illustrations by **Annalisa Beghelli**
