

## ICE-CREAM MOON, SUN CARAMEL

### THE BOOK

This is a sweet and funny double-side nonsense rhyme. On one book-side, a younger little brother (or maybe a sister) is telling his/her accomplice bond with the older brother; on the other book-side, with the older sister...

On one side:

#### ICE-CREAM MOON, SUN CARAMEL

Life is tastier if with a brother

On the other side:

#### CANDIED SUN, CANDY MOON

Life is tastier if with a sister
