THE IMAGINARY MUSEUM

THE BOOK

A new book dedicated to the museum as a place to get to know life. A picture book to discover a museum that goes beyond the physical space and becomes the set of what each of us want to collect, preserve and share with others.
An incredible journey through poetic paintings made of words, characters, emotions, places, objects and passions.
An "Imaginary Museum" as the deepest expression of what's more valuable for each one, a kind of gift to be shared with others. A new idea of museum that opens up new possibilities, that each player can freely imagine.
